WEBSITE OF THE WEEK: <http://www.bustedhalo.com/> Sponsored by the Paulists and written by young adults for young adults. Busted Halo is a website that includes discussion boards on various topics, featured commentary and a range of podcasts and videocasts. The site's name is based on the belief that each of us sports a Halo that is either dented, scratched or tarnished. In some way Busted. Yet God loves us anyway and continually calls to bang out the dents and polish our halos up to a nice golden shine.

FOCUS GROUP: The Pathways to Holiness Group will next meeting on Monday 8th February at 5.30pm.

WELCOME: To all new parishioners, especially teachers and families coming to our schools. We trust you will feel most welcomed by our parish and make many new friends here in your new home. Welcome back to families and teachers, and parishioners returning from holidays.

FAREWELL: Over the next few weeks, a number of our parishioners are moving on to higher education at Universities around the state. We wish each student our highest encouragement for the changes which they face, strength and joy for all they will discover. We wish them many new friends and happiness in the process. See you when you return home. Good Luck!

KEEP SUNDAY SACRED: Think about this: What would you need to prepare beforehand to have a restful Sunday?
